WELCOME BACK!!

During our synchronous class time, our students will be performing their instruments in class. Please look over the list to see how you can help your child be successful at home.

Setting up your personal Orchestra practice studio.

- Be sure to have a good quality chair for proper performance positioning.
- Folding music stand for holding your method book and music binder.
- Sturdy table to support the device.
- Plenty of space for performing your instrument.
- Good lighting and limited sound distractions. (Headphones)

Supply List:

- Instrument in good working condition
- Instrument specific supplies: rock stop, shoulder rest, rosin, cleaning cloth etc.
- Metronome (can be an app)
- Tuner (can be an app)
- Habits of a Successful Middle Level String Musician - Selby/Rush
