

2020 West Cobb String Jamboree

Dear Sixth Grade Orchestra Students and Parents:

You are invited to participate in the 2020 West Cobb Sixth Grade String Jamboree, which will be held on Tuesday, March 31st at Harrison High School. Sixth grade Orchestra students from Lost Mountain, Durham, McClure and Lovinggood Middle Schools will participate in this mass concert, and it will be a very exciting event. Not only will you have the chance to perform in a giant orchestra; you will also meet orchestra students from other schools.

Students will depart from Lost Mountain by county transportation. This is a one way trip to Harrison High. **You will need to provide transportation after the performance.** Rehearsal for the concert begins at 5:30 p.m. in the Harrison High School Presidential Gym. There will be a short supper break from 6:30 until 7:15. The concert will start at 7:30 p.m in Harrison Gym.

Parents: Please arrive no later than 7:30 p.m. so you may hear our performance. Please allow plenty of time to find parking. The concert will begin promptly at 7:30. If your child is using a school cello or bass, you will be responsible for returning the instrument back to school after the concert.

A pizza supper will be served at 6:30 p.m. This meal will include pizza, soda/water, and a cookie. If you do not want pizza, you may bring a sack supper from home. ***Students are requested to contribute \$10 for the cost of dinner and bus transportation.***

Students will need to bring the following items to school on March 28th:

1. A folding music stand ~ **labeled with their name**
2. Instrument, rock stop (cello and bass only) ~ **labeled with their name**
3. Music
4. LMMS Polo Shirt and Nice Jeans (Please wear this to school)

Parents: please sign and return the permission slip and the money in a white school envelope placed in the black drop box by **Friday, March 6th**. If you are willing to chaperone, please indicate on the permission slip.

Thank you for your continued support of our program. Without parents, this program could not grow.
